

Job Posting: Project Manager/Estimator – Crane and Rigging Company

Position: Project Manager/Estimator

Location: Hayward, CA

Employment Type: Full-time

Salary: Competitive, based on experience

About Us:

Hatton Crane & Rigging is a trusted leader in the crane and rigging industry, providing innovative lifting solutions for industrial, commercial, and infrastructure projects. With a focus on safety, precision, and customer satisfaction, we've built a reputation for delivering high-quality results. Join our team and contribute to projects that shape the future!

Position Overview:

We are seeking a motivated and detail-oriented Project Manager/Estimator to oversee the planning, execution, and pricing of crane and rigging projects. The ideal candidate will have a strong background in project management and estimating, as well as excellent communication and organizational skills.

Key Responsibilities:

- Develop project estimates, including labor, equipment, materials, and other associated costs.
- Collaborate with clients to understand project requirements and provide tailored solutions.
- Prepare detailed proposals and bid documents to secure contracts.
- Plan, coordinate, and oversee all aspects of crane and rigging projects, ensuring timely and safe execution.
- Manage project budgets, schedules, and resources to meet client expectations.
- Work closely with dispatchers, operators, and other team members to ensure seamless project execution.
- Conduct site visits to assess project requirements, risks, and logistics.
- Maintain strong relationships with clients, vendors, and subcontractors.
- Monitor project performance and make adjustments as needed to ensure quality and efficiency.
- Ensure all projects adhere to safety standards, regulations, and company policies.

Qualifications:

- 3+ years of experience in project management and/or estimating in the crane, rigging, or construction industry.
- Strong knowledge of crane and rigging operations, equipment, and safety protocols.
- Proven ability to manage multiple projects simultaneously in a fast-paced environment.
- Proficiency in project management and estimating software.
- Excellent written and verbal communication skills.

- Strong analytical and problem-solving abilities.
- Valid driver's license and ability to travel to job sites as needed.

What We Offer:

- Competitive salary and performance-based incentives.
- Comprehensive benefits package, including health insurance and retirement plans.
- Opportunities for professional growth and development.
- A supportive and team-oriented work environment.
- Commitment to safety and excellence in every project.

How to Apply:

To apply, please submit your resume and a cover letter detailing your relevant experience and accomplishments to vern@hatttons.com.

Please include "**Project Manager/Estimator Application 201**" in the subject line.
